WAYS TO PAY FOR BAIL

Comparing Your Options

1 CASH BAIL

Pay the court the full bail amount, refunded after your case is complete.

2 SURETY BOND

Pay a non-refundable premium, and a bondsman posts the bail on your behalf.

3 PAYMENT PLAN

Spread the premium over installments, but check the total cost.

4 PROPERTY

Pledge real estate as collateral, the slowest and riskiest option.

TIP:
Always ask for the total cost in writing before signing.
